

ALPHA PRINT

Alpha Print is available in many shapes and sizes.

The Acoustics Company can print any image directly onto Alpha acoustic panels using our in-house UV flat-bed printers. Designs can be printed onto single panels sized up to 1225mm x 2800mm x (12mm/24mm) or across multiple panels to maximise wall coverage. Replace traditional non-acoustic wall art with printed acoustic panels to help improve creativity and the acoustic performance of your interior.

DATA

MAXIMUM SIZE

2800mm x 1225mm x 12/24mm
