

ALPHA RAFT

24mm Alpha Rafts help battle reverberation and echo from above.

Add a new dimension to your interior space by suspending a choice of 6 geometric shapes and 20 solid colours in an endless amount of formations. Alpha Rafts are manufacture using 24mm PET panels in either a combination of 2 colours or a solid colour throughout. The adjustable suspension system allows you to suspend the rafts directly above the noise source delivering an excellent, finely tuned acoustic solution.

DATA

FIRE SPECIFICATION

EN13501-:2007+A1:2009 B - s1, d0

COMPOSITION
