

ETCH

Alpha Etch acoustic panels are recycled polyester acoustic wall coverings combining design, colour and texture.

Alpha Etch is manufactured from The Acoustics Company's high performing recycled PET Alpha Panels. Grooves are etched into the sheet to add increased levels of aesthetic and detail. Available in a range of innovative patterns and or custom etched to your own design. Panels are supplied in 1200 x 2750 sheets for a seamless floor to ceiling coverage. Panels can be cut to size to ensure a perfect fit.
